

Welcome to Jack & Jill Dog Diapers

USA customers get a 10% discount – enter METRO for the code

We are a Canadian company and have been manufacturing Doggie Diapers and Belly Bands since 2005. Our Products are designed for male and female dogs.

These products are washable and used for the following:

- **Loss of bladder control / incontinence**
- **Female dogs in heat**
- **Male dogs marking indoors**
- **Great tool for house training**
- **Helping with preventing pregnancies**

Please feel free to contact us if you have any questions at info@jjdiapers.ca Or Toll Free: 1-866-969-1195. The shipping is reasonable and Filomena, the owner, is great to work with. She will respond to your emails and answer any questions.

Check out the website: they have specific sizing and a chart to help you with the exact measurements. These diapers are the best on the market – I know from experience. Pudge, my beagle is incontinent from nerve damage and these diapers work the best. They are machine washable and last! The Velcro straps make them easy on and easy off. I add a Tena incontinence pad cut in half and just remove the pad when wet.
